PLASTIC SURGERY**

## Information for Exhibitors

**BAPRAS Microsurgery Masterclass**  
20-21 May 2019, Oxford

### Course Background

This is the first BAPRAS Microsurgery masterclass based on same format as our very popular Advanced Educational Courses.

This course is aimed at specialist trainees and established surgeons in Plastic Surgery and allied disciplines, both from the UK and the wider international community.

The course is delivered by leading international experts who will showcase the very latest surgical skills and techniques, with focused sessions on a range of subjects including innovation in microsurgery, lower limbs, upper limbs, lymphatic and breast.

### Audience

The Advanced Educational courses tend to attract over 150 delegates, predominantly from the UK, with a small representation from Europe and further afield and we expect this to be replicated for this course.

### Course Content

Details of speakers and the programme will be available in due course.

### Venue

The course takes place at the Mathematical Institute in Oxford, with exhibition space in the foyer (also used for delegate catering).

Space for exhibitors is extremely limited and we are only able to sell a maximum of six table-top stands per conference

## **Exhibitions Space Booking - Terms and Conditions**

### **Further Information**

#### **Payment Terms**

30 days from date of invoice. Please note we cannot confirm stand space until full payment of our invoice has been received.

#### **Cancellation Policy**

If an exhibition space has to be cancelled, the following conditions will apply:

- More than 6 months prior to the conference: a cancellation fee of 20% of the exhibition fee will be payable
- 1-6 months prior to the conference: A cancellation fee of 50% of the exhibition fee will be payable
- Less than a month prior to the conference: A cancellation fee of 100% of the exhibition fee will be payable.

#### **Exhibition Space**

Places are allocated strictly on a first come first served basis and are allocated ONLY when payment has been received.

The exhibition space has been carefully planned to allow the maximum number of companies to exhibit. It is imperative therefore that your stand does not exceed the size allocated to you. If your company arrives at the meeting with a larger stand, you will be asked to dismantle any part of the stand, which encroaches to the detriment of a

neighbouring site. No electrical extension leads are available at the venue and all companies must provide their own

Spaces between the exhibition stands must be kept free. No fittings, fixtures or signs of any nature are to be attached to the walls or fabric of the building and all stands must be free standing. Firms displaying heavy pieces of equipment must take adequate measures to protect floors from the damage.

### **Set Up**

Information on set up and breakdown will be supplied one month before the conference. Exhibitors **must** be set up by the start of the first refreshment break. Access for setup after this time is solely at the discretion of the organisers.

### **Loss or Damage**

Neither the venue nor BAPRAS can be held responsible for loss or damage to the exhibitors' stands or property. Obtaining the relevant insurance is the sole responsibility of each exhibitor. The organisers reserve the right to alter the exhibition layout without prior notice. Applications received for space, and then confirmed, imply complete acceptance of the above conditions. If any matters or disputes arise, the decision of the Honorary Secretary is final.
