British Association of Plastic  
Reconstructive and Aesthetic Surgeons

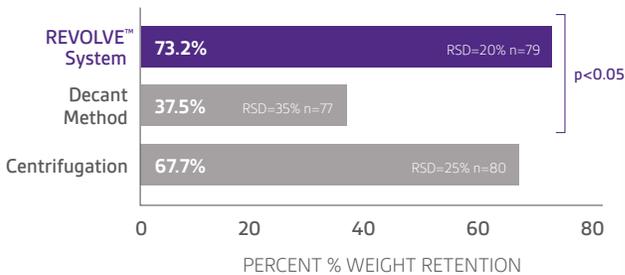

# Summer Scientific Meeting

British Association of Plastic Reconstructive and Aesthetic Surgeons

29 June - 1 July 2016

Marriott City Centre Hotel, Bristol

In a pre-clinical study,<sup>1</sup> REVOLVE™ System yielded more predictable results.

Correlation of these results to results in humans has not been established.

**Proven to save time and cost** compared to centrifugation in large volume procedures.<sup>2</sup>

- **5 times faster** than centrifugation<sup>3</sup>
- **Requires fewer steps** to process large quantities of adipose tissue compared to Puregraft™<sup>4</sup>
- **Integrated system**

Before use, physicians should review all risk information, which can be found in the *Instructions for Use* for REVOLVE™ System

1. Ansonge H, Garza JR, McCormack MC, et al. Autologous fat processing via the revolve system: quality and quantity of fat retention evaluated in an animal model. *Aesthet Surg J*. 2014 Mar 1;34(3):438-47.
2. Jarrell JA IV, Brzeziński MA. Autologous fat grafting to the breast using REVOLVE to reduce clinical costs. Southeastern Society of Plastic and Reconstructive Surgeons 57th Annual Meeting, Paradise Island, Bahamas, June 2014.
3. Maxwell G, Gabriel A. REVOLVETM autologous fat processing system reduces operative time. California Society of Plastic Surgeons 64th Annual Meeting, Newport Beach, CA, May 2014.
4. Data on file.

# Summer Scientific Meeting

**29 June to 1 July 2016**  
**The Marriott City Centre Hotel, Bristol**

# PRESIDENT'S WELCOME

Dear Friends,

I am very much looking forward to welcoming you to Bristol. I first came to the city as a medical student in 1975 and much has changed in both the city and me in 41 years. We have a very exciting scientific programme with a number of international speakers of repute. In particular, we are honoured that the American Society of Plastic Surgeons is going to be our Guest Nation and Dr David Song MD, their President, will be presenting to us. I am also delighted to welcome back to Bristol Professor David David of Adelaide, who will be presenting the John Potter Lecture on his enormous experience in cleft and craniofacial surgery.

Bristol is a major UK tourist destination with good rail, road and airlines, and there really is something for the entire family to do - I am always willing to give guided tours of the historic city of Bristol!

Kind regards,

**Nigel Mercer**  
**President, BAPRAS**

# COUNCIL

## **BAPRAS Council**

Mr N S G Mercer - President

Mr D J Ward - Deputy President

Wg Cdr Ankur Pandya - Honorary Secretary

Mr N K James - Honorary Treasurer

Mr O A Ahmed - Council Member for the North East

Mr D E Boyce - Council Member for Wales

Mr T S Burge - Council Member for the South West

Miss A L Dancey - Council Member for the West Midlands

Mr R M Haywood - Council Member for the East of England

Mr C Hill - Council Member for Northern Ireland

Miss B Jemec - Council Member for London

Mr A R Khandwala - Council Member for the South East Coast

Mr A Kotwal - Council Member for Yorkshire and Humberside

Mr P McArthur - Non-regional Council Member

Mr D J McGill - Council Member for Scotland

Mr M C Swan - Council Member for South Central

Mr A Misra - Non-regional Council Member

Dr M Shah - Council Member for the North West

Mr N Yii - Council Member for the East Midlands

# PROGRAMME OVERVIEW

## Wednesday 29 June

- 09:00 Registration
- 09:55 Welcome from the President
- 10:00 Skin Malignancy and Wound Healing Session**
- 12:50 Lunch
- 13:10 Trauma Special Interest Group meeting
- 13:55 BFIRST update
- 14:05 BAPRAS communications update
- 14:20 Limbs and Trauma Session**
- 16:25 Refreshment break
- 16:55 Stem Cells Session**
- 17:45 Close (Drinks reception in exhibition areas)

## Thursday 30 June

- 08:00 Registration
- 08:30 Aesthetic and Microsurgery Session**
- 10:30 Refreshment break
- 11:00 Lip Service and Pain in the Neck- Cases and Questions**  
(Session hosted by the American Society of Plastic Surgeons)
- 13:00 Lunch
- 13:30 Hypospadias Special Interest Group meeting
- 14:15 Burns Session**
- 16:10 Refreshment break
- 16:20 EGM (BAPRAS Members only)
- 17:00 Close

# PROGRAMME OVERVIEW

## Friday 1 July

08:00	Registration
<b>08:30</b>	<b>General Plastic Surgery Session</b>
10:40	Refreshment break
<b>11:20</b>	<b>Head &amp; Neck, Cleft, Craniofacial and Ears Session</b>
13:00	Lunch
13:30	Lymphoedema Special Interest Group meeting
<b>14:15</b>	<b>Breast Reconstruction</b>
16:20	Close

# SPECIAL INTEREST GROUP MEETINGS

Special Interest Group meetings will be held in the main lecture room, Bristol 1&2

**Wednesday 29 June Trauma**

**Thursday 30 June Hypospadias**

**Friday 1 July Lymphoedema**

## EGM

### **Thursday 30 November**

The BAPRAS EGM will be held from 16:20 on Thursday 30 June in Bristol 1&2.  
All BAPRAS Members are invited to attend this meeting.

# PROGRAMME

PROGRAMME

**BAPRAS**

British Association of Plastic  
Reconstructive and Aesthetic Surgeons

**PRASIS** is an established provider of comprehensive professional indemnity and advisory services exclusively for plastic surgeons.

**PRASIS** encourages best practice whilst giving you the cover you need for your independent sector and NHS practice.

**PRASIS** members are provided with contractual indemnity for clinical negligence and public liability claims as well as 20 years run off cover following death or permanent retirement from practice.

The **PRASIS** policy provides cover of up to 10 million for any one claim, and in the annual aggregate, including costs in any policy year\*.

Cover includes GMC, disciplinary enquiries & inquests as well as public liability & HMRC investigations. Full details available on application.

\*All benefits subject to policy terms and conditions.

General Enquiries about **PRASIS**

For all enquiries from prospective and existing members please contact **PRASIS** at the following address:

Tel: 0845 519 4393

Email: [info@prasis.co.uk](mailto:info@prasis.co.uk)

# PROGRAMME

All lectures take place in Bristol 1&2

Refreshments and exhibitions are in Bristol 3, the SS Great Britain Suite and the Empire Suite.

## WEDNESDAY, 29 JUNE 2016

**09:00**      **Registration and Refreshments**

**09:55**      **Welcome from the President**

Mr N S G Mercer

### **Skin Malignancy and Wound Healing**

Chairs: Mr A Orlando & Professor B Powell

**10:00**      **Free Paper - Sentinel lymph node biopsy improves survival in melanoma: long term results from the Oxford experience**

Mr D Thomson (Presenter), Mr M Rughani, Professor M Middleton, Mr O Cassell, (Senior) (Oxford)

**10:10**      **Free Paper - The relationship between complications following SLNB and obesity**

Ms D Mohamed (Presenter), Ms A Carbone, Mr J Hardwicke, Miss C Wolfe, Mr K Kok (Senior), Mr S Singh (Senior) (Birmingham)

**10:20**      **Free Paper - A single centre study into morbidity and mortality with lymph node clearance in skin malignancies**

Mr A Elfaki (Presenter), Dr S Ramadan, Mr N Mopuri, Professor P Dziejewski, Mr N El-Muttardi (Senior) (Broomfield, Chelmsford)

**10:30**      **Free Paper - Is Sentinel Lymph Node Biopsy warranted for all desmoplastic melanomas? A systematic review of the literature**

Mr J Dunne, Dr E Woods (Presenter), Ms J Steele, Ms J Odili, Professor B Powell (Senior) (London)

- 10:40 Free Paper - Re-evaluating the “10% rule” for sentinel lymph node biopsy in melanoma: which sentinel nodes should we harvest?**  
Mr N Pantelides (Presenter), Dr J Ranson, Mr G Laitung (Senior) (Preston)
- 10:50 Free Paper - Results of an audit leading to the design of a new UK-wide trial (Rational MCC) comparing surgery versus radiotherapy as first definitive treatment for primary Merkel cell carcinoma**  
Mr O Cassell<sup>1</sup> (Presenter), Mr M Moncrieff<sup>2</sup>, Dr C Corner<sup>3</sup>, Dr P Lawton<sup>4</sup>, Dr C Yap<sup>5</sup>, Professor C Harwood<sup>6</sup>, Dr R Blundred<sup>5</sup>, Mr S Rodwell<sup>7</sup>, Dr N Steven<sup>5</sup> (Senior) (<sup>1</sup>Oxford, <sup>2</sup>Norwich, <sup>3</sup>Middlesex, <sup>4</sup>Nottingham, <sup>5</sup>Birmingham, <sup>6</sup>London, <sup>7</sup>Cambridge)
- 11:00 Debate on Sentinel Lymph Node Biopsy**  
Professor B Powell, Dr A Hayes
- 11:40 Free Paper - To bleed or not to bleed – Stopping oral anticoagulants in minor skin cancer surgery: a literature review**  
Mr S Sandhu (Presenter), Miss J Tang, Miss V Teoh, Mr D G K Lam, (Senior) (Sheffield)
- 11:50 Free Paper - Efficacy and safety of botulinum toxin in enhancing facial surgical scar cosmesis: a meta-analysis of randomised controlled trials**  
Dr O Hausien<sup>1</sup> (Presenter), Dr M Aqeel<sup>2</sup>, Mr A Durrani<sup>3</sup>, Dr H T Cheng<sup>4</sup> (Senior) (<sup>1</sup>Peterborough, <sup>2</sup>Shrewbury, <sup>3</sup>Cambridge, <sup>4</sup>Taichung, Taiwan)
- 12:00 Free Paper - Adhesive tapes versus tissue glue in wound closure: should they meet together?**  
Ms L Heskin, Dublin (Presenter, Senior)
- 12:10 Free Paper - The CelluTome epidermal graft harvesting system: a patient reported outcome measure and cost evaluation study**  
Dr O Smith (Presenter), Miss S J Edmondson, Miss N Bystrzonowski, Miss N Hachach-Haram, Mr M Kanapathy, Mr T Richards, Mr A Mosahebi (Senior) (London)

- 12:20 Free Paper - Rational design and protein engineering of novel ligands for wound healing and regenerative medicine applications**  
Miss M Kang (Presenter), Miss M Fischer, Mr E Issa, Mr A J Moss, Professor N P Brindle (Senior) (Leicester)
- 12:30 Free Paper - Intralesional cryosurgery for the treatment of hypertrophic scars and keloids: an evidence based new and novel technology**  
Professor Y Har-Shai<sup>1</sup> (Presenter), Dr B Tanner<sup>2</sup> (Senior) (<sup>1</sup>Haifa, Israel, <sup>2</sup>Kent)
- 12:40 Guest Presentation - SCaRF: Skin Cancer Research Fund**  
Mr A Orlando
- 12:50 Lunch**
- 13:10 Trauma Special Interest Group Meeting (Bristol 1&2)**
- 13:55 BFIRST Update**  
Mr W L Lam
- 14:05 BAPRAS Communications Update**  
Mr P Sawyer, Ms C Reid

## Limbs & Trauma

Chairs: Mr U Khan & Dr R Sabapathy

- 14:20 Free Paper - Improving the clinical coding accuracy of plastic surgery trauma care episodes**  
Mr K Y Wong, Dr R Mole (Presenter), Mr M Khan (Senior) (Salisbury)
- 14:30 Free Paper - Forty-seven pre-tibial lacerations: to graft or to dress?**  
Dr C Asher (Presenter), Mr E Smock, Ms L Karran, Dr N Emmanuel, Ms J Holden, Miss C Milroy (Senior) (Tooting)
- 14:40 Free Paper - A 3D in vitro model of remyelination after peripheral nerve injury**  
Mr B Kadler<sup>1</sup> (Presenter), Dr A Faroni<sup>1</sup>, Dr D Wellings<sup>2</sup>, Dr A Reid<sup>1</sup> (Senior) (<sup>1</sup>Manchester, <sup>2</sup>Runcorn)

- 14:50 Free Paper - Importance of information leaflets for trauma patients in Plastic Surgery**  
Mr M M Hosain (Presenter), Mr A Yousif, Dr R Haque, Ms J Dunlop, Mr I Taggart (Senior), Glasgow
- 15:00 Free Paper - Functional outcome following low energy open ankle fracture in the elderly and a proposed treatment algorithm**  
Dr A Wijendra (Presenter), Mrs R Alwe, Mr G Grammatopoulos, Mr M Lamyman (Senior), Mr G Kambouroglou (Oxford)
- 15:10 Free Paper - The evidence for dangling after free flap reconstruction of the lower limb: a review of the literature**  
Miss L Cooper (Presenter), Mr J McGhee, Mr K Orkar, Miss L Harry, Ms T Cubison (Senior) (East Grinstead)
- 15:20 Free Paper - Does early surgical intervention improve patient reported outcome scores for lower limb reconstruction?**  
Mr C Macdonald (Presenter), Miss F Peters, Mr J Young, Mr M Fernandez, Miss J Ward, Mr M Venus, Miss J Skillman (Senior) (Coventry)
- 15:30 Guest Lecture - Two views on building efficient microsurgical services**  
Mr U Khan, Mr V Ramakrishnan
- 16:10 Guest Lecture - The facial fracture service- Royal Adelaide Hospital/ Women's and Children's Hospital South Australia**  
Professor D David
- 16:25 Refreshment Break**

## Stem Cells

Chair: Mr N S G Mercer

- 16:55 Autologous fat grafting: recent developments in regenerative plastic surgery**  
Professor N Pallua

**17:20      Guest Lecture - Fat or stem cell graft to the face. Hypothesis on regenerative activities**

Dr G Rigotti

**17:45      Drinks reception**

# THURSDAY, 30 JUNE 2016

**08:00 Registration and Refreshments**

## **Aesthetic and Microsurgery**

Chairs: Mr S Withey & Miss A Dancey

- 08:30 Free Paper - Microsurgical skill acquisition in a one day introductory course with performance evaluation using software assisted scoring system**  
Miss C J Stewart<sup>1</sup> (Presenter), Ms S K Yusoff<sup>2</sup>, Mr D Widdowson<sup>1</sup>, Mr W L Lam<sup>1</sup> (Senior) (<sup>1</sup>Livingston, <sup>2</sup>Singapore)
- 08:40 Free Paper - A “green” approach to secondary reconstruction: the concept of the recycle flap and a classification**  
Mr P Sadigh (Presenter), Professor S Jeng (Senior) (Kaosiung, Taiwan)
- 08:50 Free Paper - Breast implant associated anaplastic large cell lymphoma**  
Miss H Stark<sup>1</sup> (Presenter), Mr S Chummun<sup>2</sup>, Dr A Lennard<sup>1</sup>, Associate Professor N McLean<sup>3</sup>, Mr J O’Donoghue<sup>1</sup> (Senior) (<sup>1</sup>Newcastle upon Tyne, <sup>2</sup>Exeter, <sup>3</sup>Northumberland)
- 09:00 Free Paper - The Welsh experience with Poly Implant Prothèse (PIP) breast implants: a retrospective three-year cohort study of 646 patients**  
Mr R Thomson (Presenter), Professor I Whitaker (Senior), Professor K Morris, Mr M Haj Basheer (Swansea)
- 09:10 Free Paper - The effect of body-contouring-surgery on weight loss maintenance following bariatric surgery**  
Miss N Hachach-Haram (Presenter), Miss N Bystrzonowski, Dr O Smith, Mr M Greenfield, Dr A Pucci, Dr M Hashemi, Mr A Mosahebi (Senior) (London)
- 09:20 Free Paper - Current commissioning for aesthetic procedures in NHS England by Clinical Commissioning Groups: what has changed?**  
Miss W Chow<sup>1</sup> (Presenter), Mr A Soueid<sup>2</sup>, Mr K Kok<sup>3</sup>, Mr R Nassab<sup>1</sup> (Senior) (<sup>1</sup>Chester, <sup>2</sup>Manchester, <sup>3</sup>Birmingham)

- 09:30 Guest Presentation - Update on breast implant registry**  
Mr S Withey
- 09:40 Guest Presentation - Update on the UK National Flap Registry**  
Miss A Hazari
- 09:50 Sushruta Guha Lecture - Pushing the boundaries in limb salvage following trauma**  
Professor R Sabapathy
- 10:30 Refreshment Break**
- 11:00 Lip service and pain in the neck: cases and questions in aesthetic surgery  
Session hosted by the American Society of Plastic Surgeons**  
Mr N S G Mercer (Chair), Dr D Song (Chair), Dr A Matarasso (Speaker),  
Dr R D'Amico (Speaker)
- 13:00 Lunch**
- 13:30 Hypospadias Special Interest Group Meeting (Bristol 1&2)**

## Burns

Chairs: Dr A Young & Dr M Shah

- 14:15 Free Paper - Choosing the right tool for burns debridement: a systematic review of the evidence**  
Miss S J Edmondson (Presenter), Miss S Elamin, Dr I Ali, Miss A Murray (Senior) (Aylesbury)
- 14:25 Free Paper - Patterns of injury in recurrent non-suicidal self burn injury patients: are they site-specific?**  
Miss V Harries<sup>1</sup> (Presenter), Miss N Wielogorska<sup>1</sup>, Dr D Gearon<sup>2</sup>,  
Mr B Dheansa<sup>1</sup> (Senior) (<sup>1</sup>East Grinstead, <sup>2</sup>Cambridge)
- 14:35 Free Paper - Introduction of a paediatric minor burns proforma in a burn facility affiliated emergency department: a successful quality improvement project**  
Ms L Sayed (Presenter), Dr R Rowlands, Mrs C Porter, Mrs V Galsworthy,  
Miss R Agarwal, (Senior) (Leicester)

- 14:45 Free Paper - Prefabricated pre-expanded cervical skin flaps for hemi-facial burns scar resurfacing**  
Mr P Sadigh (Presenter), Professor Y Zhang (Senior), Dr L Ke, Dr P Min, Dr S Feng, Professor N Liu (Shanghai, China)
- 14:55 Free Paper - Success, failures and problems in the management of post burn contractures**  
Dr F Buriro (Presenter), Dr M Nizam (Senior) (Karachi, Pakistan)
- 15:05 Free Paper - Sustainable hospital burns education in Northern Tanzania**  
Mr M Farid<sup>1</sup> (Presenter), Dr E Manjira<sup>2</sup>, Mr J Rawlins<sup>3</sup> (Senior)  
(<sup>1</sup>Stevenage, <sup>2</sup>Moshi, Tanzania, <sup>3</sup>Perth, Western Australia)
- 15:15 Guest Lecture - Restore Research: twenty-five years young**  
Mr J Pleat
- 15:35 Guest Lecture - Clinical input into burn care priorities**  
Dr A Young
- 15:55 Guest Lecture - Tissue engineering, skin banking and burns care in China**  
Dr N Zhu
- 16:10 Refreshment Break**
- 16:20 EGM**

## FRIDAY, 1 JULY 2016

**08:00 Registration and Refreshments**

### General Plastic Surgery

Chairs: Mr D Ward & Mr N Yip

**08:30 Free Paper - Lotus petal flap and combined laser therapy in difficult pilonidal sinus management**

Mrs K Hamnett (Presenter), Ms M Nagarajan, Mr A Iqbal, (Senior),  
Ms J McPhail (Liverpool)

**08:40 Free Paper - Clinical outcomes of paraspinal soft tissue sarcomas**

Miss S Bagirathan<sup>1</sup> (Presenter), Mr N Eastley<sup>2</sup>, Mr A Halka<sup>1</sup>, Dr T McCulloch<sup>1</sup>,  
Mr M Sarmad Tamimy<sup>1</sup>, Miss A Raurell<sup>1</sup>, Mr R Ashford<sup>2</sup>, Mr G Perks<sup>1</sup> (Senior)  
(<sup>1</sup>Nottingham, <sup>2</sup>Leicester)

**08:50 Free Paper - Frequency of different free flaps for head and neck reconstruction and their outcome**

Dr F Buriro (Presenter), Dr M Nizam (Senior) (Karachi, Pakistan)

**09:00 Free Paper - Isolation nasoseptal cartilage derived stem cells: implications for cartilage tissue engineering**

Ms Z Jessop (Presenter), Dr A Al-Sabah, Dr I L Pieper, Professor C Archer,  
Professor C Thornton, Professor I S Whitaker (Senior) (Swansea)

**09:10 Free Paper - An analysis of the operative experience of plastic surgery trainees in the United Kingdom using the web-based eLogbook: establishing an evidence base to set operative standards and enhance training**

Miss L Highton<sup>1</sup> (Presenter), Mr R I S Winterton<sup>1</sup> (Senior), Mr A Lamb<sup>2</sup>,  
Mr A Fitzgerald<sup>3</sup>, Mr S Wood<sup>3</sup>, (<sup>1</sup>Manchester, <sup>2</sup>Edinburgh <sup>3</sup>London)

**09:20 Free Paper - The use of study registration and protocols in plastic surgery research: a systematic review**

Mr T Pidgeon<sup>1</sup>, Dr C Limb<sup>2</sup>, Mr R Agha<sup>1</sup>, Ms K Whitehurst<sup>1</sup> (Presenter),  
Ms C Chandrakumar<sup>1</sup>, Ms G Wellstead<sup>1</sup>, Dr A Fowler<sup>1</sup>, Professor D Orgill<sup>3</sup>,  
(Senior) (<sup>1</sup>London, <sup>2</sup>Brighton, <sup>3</sup>Boston, USA)

- 09:30 Free Paper - “Picturing Plastic Surgery”. A visual-based smart phone app designed to serve Plastic Surgery trainees**  
Mr J Dickson (Presenter, Senior) (Birmingham)
- 09:40 Free Paper - The attitude to procedure specific consent forms in plastic surgery: a national survey**  
Miss L Cooper<sup>1</sup> (Presenter) Mr A Mosahebi<sup>2</sup>, Mr M Henley<sup>3</sup>, Mr A Pandya<sup>4</sup>, Mr M Cadier<sup>5</sup>, Mr N Mercer<sup>6</sup>, Mr C Nduka<sup>1</sup>, (Senior) (<sup>1</sup>East Grinstead, <sup>2</sup>London, <sup>3</sup>Nottingham, <sup>4</sup>Portsmouth, <sup>5</sup>Salisbury, <sup>6</sup>Bristol)
- 09:50 Free Paper - Five-year experience on setup and development of a wrist surgery service**  
Miss S Cerovac (Presenter, Senior) (London)
- 10:00 Free Paper - Management of chordee with hypospadias**  
Dr R Mole<sup>1</sup> (Presenter), Mr D MacKenzie<sup>2</sup> (Senior) (<sup>1</sup>Salisbury, <sup>2</sup>Plymouth)
- 10:10 Free Paper - Liposuction for the management of chronic lymphoedema: measuring improved quality of life using the Lymph-ICF and LyQLI questionnaires**  
Mrs H Wohlgemut (Presenter), Mr A Munnoch (Senior) (Dundee)
- 10:20 Free Paper - Venous thromboembolism prophylaxis in Plastic Surgery: a 22-year national follow-up study**  
Mr R Wade<sup>1</sup> (Presenter), Mr F Conroy<sup>2</sup>, Mr D Mather<sup>3</sup> (Senior) (<sup>1</sup>Leeds, <sup>2</sup>Bedford, <sup>3</sup>Wakefield)
- 10:30 Free Paper - Plastic Surgery interventions for children with severe sepsis on PICU presenting with streptococcal infection and or varicella zoster**  
Miss Y Cemal<sup>1</sup> (Presenter), Miss K Ford<sup>1</sup>, Miss L Cooper<sup>2</sup>, Mr D Yue<sup>1</sup>, Miss N Timoney<sup>1</sup>, Dr A Nyman<sup>1</sup>, Miss A Greig<sup>1</sup>, (Senior) (<sup>1</sup>London, <sup>2</sup>East Grinstead)
- 10:40 Refreshment Break**

## Head & Neck, Cleft, Craniofacial, Ears

Chairs: Mr C Hill & Professor D David

- 11:20**      **John Potter Lecture - Removing the stigmata of the cleft**  
Professor D David
- 11:50**      **Free Paper - Outcome of patients with Pierre Robin sequence: the Australian Craniofacial Unit experience**  
Mr S Chummun (Presenter), Mr N R McLean, Mr W Flapper, Mr M H Moore, Professor P A Anderson, Professor D J David (Senior) (Adelaide, Australia)
- 12:00**      **Free Paper - Five-year speech outcomes following Furlow palatoplasty for soft palate and submucous clefts. Is the Furlow palatoplasty a superior method than intravelar veloplasty for soft palate and submucous clefts?**  
Miss J Baker (Presenter), Mr T O'Neill, Miss C Wylie, Miss P Foster, Mr C Hill (Senior) (Belfast)
- 12:10**      **Free Paper - Funding in facial palsy**  
Mr A Kilshaw<sup>1</sup> (Presenter); Mr W Holmes<sup>2</sup>, Mr P Matteucci<sup>3</sup> (Senior) (1Bradford, 2Leeds, 3Kingston upon Hull)
- 12:20**      **Free Paper - Photogrammetric measurement of smile excursion for automatic smartphone facial grading**  
Miss V Harries<sup>1</sup> (Presenter), Mr C Izard<sup>2</sup>, Miss L Cooper<sup>1</sup>, Mr A Thomas<sup>1</sup>, Mr A Cleal<sup>1</sup>, Mr C Nduka<sup>1</sup> (Senior) (1East Grinstead; 2Leeds)
- 12:30**      **Free Paper - Paradoxical frontalis activation: an under-recognised consequence of facial palsy**  
Mr C Izard (Presenter, Senior) (East Grinstead)
- 12:40**      **Free Paper - A new method to ear canal plasty for the atresia of external ear article: superior temporal artery pedicled spiral scalp flap**  
Dr Y Takeichi<sup>1</sup> (Presenter), Professor H Iguchi<sup>2</sup>, Dr H Motai<sup>3</sup>, Dr H Tada<sup>4</sup> (Senior) (1Ichinomiya, Japan, 2Nagoya, Japan, 3Tokai, Japan, 4Tu, Japan)

**12:50 Free Paper - Piloting Changing Faces practitioners within the NHS to address the psychological needs of patients with disfiguring injuries**  
Ms H J Spalding (Presenter, Senior), Dr J Partridge, Ms I Van Heugten, Ms E Noble (London)

**13:00 Lunch**

**13:30 Lymphoedema Special Interest Group (Bristol 1&2)**

## Breast Reconstruction

Chairs: Mr S Wilson & Miss E Prousskaia

**14:15 Guest Lecture - The vertical upper gracilis flap for breast reconstruction - video presentation**  
Dr D Song

**14:50 Free Paper - Prevalence of psychiatric comorbidities among patients undergoing autologous breast reconstruction. Results from nationwide versus institutional data**  
Miss B Becherer<sup>1</sup> (Presenter), Miss P Kamali<sup>1</sup>, Dr M A Paul<sup>1</sup>, Miss W Wu<sup>1</sup>, Dr H A Rakhorst<sup>2</sup>, Dr K J Kansal<sup>1</sup>, Dr S J Lin<sup>1</sup> (Senior)  
(<sup>1</sup>Boston, USA, <sup>2</sup>Enschede, the Netherlands)

**15:00 Free Paper - Abdominal free flap breast reconstruction outcomes and cost analysis: a review of 172 consecutive cases**  
Mr K Y Wong<sup>1</sup> (Presenter), Mr T Paterson<sup>1</sup>, Mr K Alame<sup>2</sup>, Mr S Lee<sup>2</sup>, Mr C Durrant<sup>3</sup> (Senior), Mr S Heppell<sup>3</sup> (Senior) (<sup>1</sup>Salisbury, <sup>2</sup>Southampton, <sup>3</sup>Portsmouth)

**15:10 Free Paper - Happy Flappy - Rectus sheath blocks for pain management following autologous breast reconstruction**  
Mr S Sandhu (Presenter), Miss J Tang, Miss V Teoh, Miss P Muthayya, Mr S Coulson, Mr D G Dujon, Mr D G K Lam, Dr S Kurian (Senior) (Sheffield)

- 15:20 Free Paper - Differences in 32,248 post-mastectomy autologous breast reconstruction patients using the updated National Inpatient Survey: an analysis of national and regional trends**  
Dr P K Sadeghian<sup>1</sup> (Presenter), Dr M A Paul<sup>1</sup>, Dr A S Ibrahim<sup>2</sup>,  
Dr P G L Koolen<sup>3</sup>, Miss W Wu<sup>1</sup>, Dr M L Schermerhorn<sup>1</sup>, Dr B T Lee<sup>1</sup>,  
Dr S J Lin<sup>1</sup> (Senior) (<sup>1</sup>Boston, USA, <sup>2</sup>New Orleans, USA, <sup>3</sup>Amsterdam,  
the Netherlands)
- 15:30 Free Paper - Clinical audit report: risk reducing mastectomy patient selection**  
Miss D Lim (Presenter), Mr S Wilson (Senior), Mr A Wiberg (Bristol)
- 15:40 Free Paper - Breform pre-shaped polyester mesh – extending its use into cancer patients**  
Mr C Chan (Presenter, Senior), Mr J Bristol, Mr D Humzah, Miss F Court  
(Cheltenham)
- 15:50 Free Paper - The correlation between body mass index (BMI), timing of surgery, and perioperative morbidity in free flap breast reconstruction: defining a BMI threshold to assist decision-making**  
Miss S Hendrickson (Presenter), Miss M Moustaki, Ms C Lankage,  
Mr J Constantinides, Mr D Ross, Miss P N Mohanna, Mr M Ho-Asjoe,  
Mr J Farhadi, Mr P Roblin (Senior) (London)
- 16:00 Free Paper - Utility of the in-the-crease inferior gluteal artery perforator flap in autologous breast reconstruction**  
Mrs H Wohlgemut (Presenter), Mr M Schaverien, Mr A Munnoch (Senior)  
(Dundee)
- 16:10 Free Paper - Team efficiency: DIEP Police- Four free flaps in one day in a single operating theatre**  
Mr H Sharma (Presenter), Miss B Craggs, Miss G Oni, Dr G Libondi,  
Mr N Patel, Mr V Ramakrishnan (Senior) (Chelmsford)

# POSTERS

Posters will be available to view throughout the conference using the poster stations in the foyer.

1. **Dog bites in the UK: an increasing burden for the Plastic Surgeon?**  
Ms S Al-Himdani<sup>1</sup> (Presenter), Mr Y Sheena<sup>2</sup>, Ms D Nguyen<sup>1</sup> (Senior)  
(<sup>1</sup>Swansea, <sup>2</sup>Cambridge)
2. **Discrepancies between incision and excision biopsies**  
Mr A Armstrong<sup>1</sup> (Presenter), Dr A Hart-Pinto<sup>2</sup>, Dr N Sharma<sup>2</sup>, Mr Z Hassan<sup>2</sup>  
(Senior) (<sup>1</sup>Portsmouth, <sup>2</sup>Merseyside)
3. **Multiple Pilomatrixoma: an early cutaneous marker for Myotonic Dystrophy and Gardner's Syndrome**  
Dr A Aranout (Presenter), Mr R Duncan, Mr N Wilson-Jones (Senior)  
(Swansea)
4. **Keeping pace with the media: a case of giant hogweed burns and literature review**  
Mr B Baker (Presenter), Mr J Bedford, Mr S Kanitkar (Senior) (Manchester)
5. **Deep sternal wound infections: a two-year analysis of a regional centres practice and an algorithm of management**  
Mr W Bhat (Presenter), Mr P McElnay, Mr M Alwari, Mr M Ragbir,  
Mr K Rahman (Senior) (Newcastle)
6. **Readability of patient information leaflets from the British Association of Plastic Reconstructive and Aesthetic Surgeons**  
Miss L Brennan (Presenter), Miss S Chaudhry, Dr V Narwani (Senior)  
(Norwich)
7. **Cosmetic breast surgery MDT: improving the quality of care for aesthetic breast patients**  
Mr C Chan (Presenter, Senior), Miss F Court, Mr J Bristol, Mr D Humzah  
(Cheltenham)
8. **Hip disarticulation and free flap reconstruction for extensive lower limb arteriovenous malformation in SOLAMEN Syndrome**  
Dr P Z H Chan (Presenter), Dr M Lodge (Senior), Dr B Carney, D I Harvey,  
Dr M Wilks, Dr J Dawson (Adelaide, Australia)
9. **Have you actually got their consent? an update on consent and its impact on the procedure of consenting and medical practice**  
Ms A Chandra (Presenter), Mr P Lim (Senior), Mr T Mcleod (York)

- 10. FTSG on the face: do we really need tie over dressings or quilting sutures?**  
Miss M Chasapi (Presenter), Mr A Salibi (Senior) (Preston)
- 11. Auricular wedge excision made easy**  
Miss M Chasapi (Presenter), Mr A Salibi (Senior) (Preston)
- 12. Use of Diphoterine on chemical burns at a regional burn centre**  
Dr A Choudhary (Presenter), Dr B El-Khayat, Professor S Jeffery (Senior) (Birmingham)
- 13. Paediatric necrotising fasciitis: an English single centre plastic surgery experience**  
Miss L Cooper<sup>1</sup> (Presenter), Miss K Ford<sup>2</sup>, Miss Y Cemal<sup>3</sup>, Mr D Yue<sup>3</sup>, Ms N Timoney<sup>4</sup>, Mr A Nyman<sup>4</sup>, Ms A Greig<sup>4</sup> (Senior) (<sup>1</sup>East Grinstead, <sup>2</sup>London (King's College Hospital), <sup>3</sup>London (St Thomas' Hospital), <sup>4</sup>London (Evelina Children's Hospital))
- 14. Are we selling ourselves short? Cost coding in Plastic Surgery breast services in the North Bristol NHS Trust**  
Mr S Coulson (Presenter), Mr G Tanos, Mr S Wilson, Miss E Prouskaia (Senior) (Bristol)
- 15. Strapping up: management of paediatric Salter Harris II hand fractures**  
Ms T Curran (Presenter), Ms M Lo, Ms M Downs, Mr S Wilson (Senior) (Bristol)
- 16. 'Sweaty Betty' - A stain on her gym wear**  
Miss P Drury (Presenter), Mr M Stephens, Mr M Jones (Senior), Dr L Munthali (East Grinstead)
- 17. Case report on prophylactic venous supercharged radial collateral artery perforator propeller flap: improved outcomes in perforator propeller flaps**  
Mr P Dutta (Presenter), Mr D Koustic (Senior), Ms I Keiran (Manchester)
- 18. Plastic Surgery and staphylococcus aureus sepsis in children**  
Miss L Cooper<sup>2</sup> (Presenter), Miss K Ford<sup>1</sup>, Mr D Yue<sup>3</sup>, Miss Y Cemal<sup>3</sup>, Mr P Poblin<sup>3</sup>, Ms N Timoney<sup>4</sup>, Mr A Nyman<sup>4</sup>, Miss A Greig<sup>4</sup> (<sup>1</sup>London (King's College Hospital), <sup>2</sup>East Grinstead, <sup>3</sup>London (St Thomas' Hospital), <sup>4</sup>London (Evelina Children's Hospital))
- 19. Correcting the over-corrected gynaecomastia – a novel technique using stacked acellular dermal matrix**  
Miss V Fung (Presenter), Mr S Kohlhardt (Senior) (Sheffield)

- 20. Preventing pressure alopecia with a pillow**  
Dr S Gardiner (Presenter), Mr J Simock (Senior) (Christchurch, New Zealand)
- 21. Patient outcomes of 'Arrow' flap and underlying peg cartilage graft nipple reconstruction following DIEP based breast reconstruction**  
Mr O Koshy (Presenter) (Senior), Miss P Gill, Mr D Jordan, Mr K Graham (Liverpool)
- 22. 'Missing the boat and burning bridges'. Why poor timing of genetic testing in high risk breast cancer patients is worsening reconstructive outcome**  
Mrs K Hamnett<sup>1</sup> (Presenter), Mr N Hamnett<sup>2</sup>, Mr K Graham<sup>1</sup> (Senior) (<sup>1</sup>Liverpool, <sup>2</sup>Coventry,)
- 23. Patient-reported outcome measures following DIEP flap breast reconstruction**  
Miss L Highton (Presenter), Miss S O'Ceallaigh (Senior) Mr S Wilson, Mr J Duncan (Wythenshawe)
- 24. Development of a bench top 3D bioprinter for use by Plastic Surgeons**  
Ms Z Jessop (Presenter), Dr A Al-Sabah, Mr S Manivannan, Dr E Combellack, Dr D Thomas, Professor I Whitaker (Senior) (Swansea)
- 25. Metastatic basal cell carcinoma in Gorlin Syndrome**  
Miss S Jing (Presenter), Dr J Lear, Dr E Allan, Professor G Evans, Mr D Oudit (Senior) (Manchester)
- 26. Novel use of the profunda artery perforator flap in vulvo-perineal reconstruction**  
Miss S Jing (Presenter), Mr D Koustic (Senior) (Manchester)
- 27. Perforator-only propeller anterolateral thigh flap for reconstructions around the knee**  
Miss S Jing (Presenter), Mr D Koustic (Senior) (Manchester)
- 28. Case report: successful application of keratinocyte suspension using autologous fibrin spray**  
Dr P Johnstone (Presenter), Mr J S Kwei, Mr G Filobos, Mr D Lewis (Senior), Professor S Jeffery (Birmingham)
- 29. Pilomatrix carcinoma: a ten-year review of the literature**  
Mr C Jones (Presenter), Dr M Porteli, Mr R Thompson (Senior) (Glasgow)

- 30. Case report: incidental intraoperative detection of hypertrophied transversus thoracis fibres and their clinical significance**  
Dr N Kumar (Presenter), Miss M Fawzy, Mr W Nabul, Dr C Green, Dr H Taylor, Dr C Brassett, Mr M Irwin (Senior) (Cambridge)
- 31. The introduction of mobile operating systems within a major trauma centre: a SMART idea**  
Dr N Kumar (Presenter), Mr W Nabulyato, Dr D Palihawadana, Mr A Abood (Senior) (Cambridge)
- 32. Systematic review: predicting adverse psychological outcomes following hand trauma**  
Dr N Redgrave (Presenter), Miss E Ladds, Mr M Lamyman (Senior), Dr C Wade, Dr N Rekharti, Dr K Taylor, Dr J Quinlan (Oxford)
- 33. Atypical fibroxanthoma: the reliability of an incisional biopsy preliminary diagnosis**  
Mr G Lye<sup>1</sup> (Presenter), Dr J Wright<sup>2</sup>, Mr S Al-Ghazal<sup>1</sup>, Professor A Wright<sup>1</sup> (Senior) (<sup>1</sup>Bradford, <sup>2</sup>Rotherham)
- 34. Atypical fibroxanthoma: clinical and histological features in the Bradford population**  
Mr G Lye<sup>1</sup> (Presenter), Dr J Wright<sup>2</sup>, Mr S Al-Ghazal<sup>1</sup> (Senior), Professor A Wright<sup>1</sup> (<sup>1</sup>Bradford, <sup>2</sup>Rotherham)
- 35. Glomus tumours of the digits: the ten-year Manchester experience**  
Mr R Murphy (Presenter), Mr B Baker, Mr A Mishra (Senior) (Manchester)
- 36. Cadaveric assessment of the transverse thoracis muscle and its impact on free tissue transfer in aesthetic and reconstructive breast surgery**  
Mr W Nabulyato (Presenter), Dr N Kumar, Mr A Elfaki, Miss M Fawzy, Mr J Perfitt, Mrs M Wright, Dr H Taylor, Dr C Brassett, Mr M Irwin (Senior) (Cambridge)
- 37. Outcomes and satisfaction with semi-elective day case hand trauma surgery**  
Miss F Page (Presenter), Mr D Chester (Senior), Ms M McCarthy (Birmingham)
- 38. The rectus abdominis muscle advancement flap as a salvage option for chest wall reconstruction: a case report**  
Mr N Pantelides (Presenter), Mr S Iyer (Senior) (Preston)

- 39. Evaluation of adult and paediatric clerking in a regional burns unit**  
Dr B Rafique (Presenter), Dr M Fell, Dr S Trowbridge, Ms J Atkins (Senior), Ms I Jones (London)
- 40. Hub and spoke network integration: streamlining the Plastic Surgical patient pathway**  
Ms L Sayed (Presenter), Mr S Cairns, Miss R Agarwal (Senior) (Leicester)
- 41. Morphea of the breast masquerading as cellulitis: a case report**  
Miss C Sethu (Presenter), Mr K Y Wong, Mrs D Slade-Sharman (Senior) (Salisbury)
- 42. Traumatic foot and ankle wounds and lymphoedema: a strapping solution!**  
Miss V Teoh (Presenter), Miss S Rogers, Miss P Valand, Miss V Giblin (Senior)
- 43. Are hospital simulation centres being adequately utilised for self-directed learning and practice of surgical skills?**  
Dr A Thacoor (Presenter), Mr S Majumder (Senior) (Wakefield)
- 44. Traumatic adult brachial plexus injuries: designing a clinically relevant outcomes tool**  
Mr C Thakrar (Presenter), Ms S Taplin, Ms S Oxley, Mr R Bains, Miss G Bourke, Miss C Hernon (Senior) (Leeds)
- 45. A meta-analysis of time-limited versus volume-controlled strategies for timing of drain removal following axillary lymphadenectomy**  
Mr D Thomson<sup>1</sup> (Presenter), Professor D Furniss<sup>2</sup> (Senior), Mr A Trevatt<sup>2</sup> (<sup>1</sup>London, <sup>2</sup>Oxford)
- 46. An approach for the struggling free flap surgeon**  
Mr R Vijayan (Presenter), Miss P Drury, Mr M Gorman, Miss T Cubison (Senior) (East Grinstead)
- 47. Case report: Emergency spare part microsurgery - a neurotised free fillet of sole flap to preserve a below knee amputation**  
Miss A White (Presenter), Mr O Gileard, Mr P Sadigh (Senior) (London)

# EXHIBITOR CATALOGUE

## **Acelity / HC21 Stand 8**

Address: KCI Holdings UK Ltd, 11 Nimrod Way, East Dorset Trade Park, Ferndown Industrial Estate, Wimbourne, BH21 7SH

Contact: Claire Collins - [claire.collins@acelity.com](mailto:claire.collins@acelity.com) - 00353 1 4213907

Website: [www.acelity.com](http://www.acelity.com) / [www.healthcare21.eu](http://www.healthcare21.eu)

Acelity is a global wound care and regenerative medicine company committed to advancing the science of healing and restoring people's lives. Headquartered in San Antonio, Texas, Acelity delivers value through cutting-edge therapies and innovative products that address unmet clinical needs and lead the industry in quality, safety and customer experience. Our passion for our customers and their patients unites Acelity employees around the world. For more information, please visit [Acelity.com](http://Acelity.com).

## **BFIRST Stand 21**

Contact: [info@bfirst.org.uk](mailto:info@bfirst.org.uk)

Website: [www.bfirst.org.uk](http://www.bfirst.org.uk)

BFIRST's vision is of a world where surgeons and hospital staff in resource-poor countries have the necessary expertise and have the necessary supplies to be able to perform reconstructive surgery and rehabilitate patients by themselves, without our help, but we have to get the expertise there and make it self-sustaining first!

### **How?**

BFIRST's mission is to train surgeons working in some of the poorest countries in the world by sending BFIRST Consultant Plastic Surgeons and their teams of relevant allied healthcare professionals on regular training trips tailored to the local needs in reconstructive surgery. We aim to make partnerships between units abroad and BFIRST teams, so our training maintains the local relevance and tracks progress.

We have also uniquely built in an assessment of the BFIRST teams by the local surgeons and staff, and we continue to monitor the local surgeons' progress through ISCP based assessment tools.

### **Why?**

Through reconstructive plastic surgery, we aim to release some of the world's most vulnerable children and adults from a state of poverty caused by a deformity or a disability.

## Exhibitor Information

You know we can make a huge difference with reconstructive surgery, help us do it!

Donate, sign up or spread the word on twitter, Facebook or pigeon post.

### **British Association of Skin Camouflage Stand 14**

Address: PO Box 3671, Chester, Cheshire, CH1 9QH

Contact: Liz Allen - lizallen@skin-camouflage.net - 01254 703 107

Website: [www.skin-camouflage.net](http://www.skin-camouflage.net)

The British Association of Skin Camouflage is considered to be the main source of information and educational material and is the leading training authority for this specialism. Although our graduates work independently of us, we are proud of their role in helping others to face the world, with confidence.

### **Dendrite Stand 22**

Address: The Hub, Henley-on-Thames, Oxfordshire, RG9 1AY

Contact: [info@e-dendrite.com](mailto:info@e-dendrite.com) - [pwalton@e-dendrite.com](mailto:pwalton@e-dendrite.com) - 44 1491 411 288

Website: [www.e-dendrite.com](http://www.e-dendrite.com)

Dendrite Clinical Systems is a specialist supplier of clinical databases, analysis software and consultancy services for hospitals and national registries.

BAPRAS have commissioned Dendrite Clinical Systems to establish the world's first free and pedicled flap web-registry – this is now running live and data is accumulating at a pace. If you are not already a contributor, please visit the Dendrite stand to see how the registry software works and to register for access to the database.

### **DP Medical Systems Ltd Stand 6**

Address: 15 A Oakcroft Road, Chessington, Surrey, KT9 1RH

Contact: Christina Pitman - [christinapitman@dpmedicals.com](mailto:christinapitman@dpmedicals.com) - 020 8391 4455

Website: [www.dpmedicals.com](http://www.dpmedicals.com)

## **DR Kim Company Stand 19**

Address: #213 Ace Gwangmyeong Tower, 108 Haan-ro, Gwangmyeong-si, Gyeonggi-do, Korea(423-798)

Contact: Joshua Lee - Lcsbz10114@hanmail.net - +82-2-2611-4755~6, +82-10-9274-2025

Website: [dr-kim.net](http://dr-kim.net)

Dr-Kim Co. is a leading company of manufacturing shadowless head lamp first in the world. The CEO of Dr-Kim company is a medical doctor. We produce customized loupes and telescope attachable Dr-Kim head lamp too. We have launched the camera system.

## **Elemental Healthcare Ltd Stand 10**

Address: Elemental House, Shefford Park Farm, Great Shefford, Hungerford, Berkshire, RG17 7ED

Contact: [info@elementalhealthcare.co.uk](mailto:info@elementalhealthcare.co.uk) - 0844 412 0020

Website: [www.elementalhealthcare.co.uk](http://www.elementalhealthcare.co.uk)

Elemental Healthcare is a leading independent distributor providing innovative solutions in minimally invasive surgery. Elemental's product portfolio is not only at the forefront of the latest developments in surgery but also provides cost effective solutions for a challenged NHS.

SPY fluorescence imaging technology provides surgeons with real-time and precise visualisation of tissue perfusion, leading to improved outcomes and reduced costs without exposing the patient to harmful ionizing radiation or contrast dye toxicity.

IFABond Laparoscopic Glue provides an alternative to quilting, significantly reducing the available area for Seroma formation. IFABond is a pure solution with no additives which takes only a short time to form a strong bond. It is quick and easy to apply and is supplied in a variety of formats to suit the application.

Cellis is a truly biological implant at a sensible price. It is preservative free enabling better integration and reduced issue reaction. Cellis uses non-aggressive purification methods which maintains the dermal integrity. It is easy to use and doesn't require any specialist storage methods or rinsing prior to use.

### **e-LPRAS Stand 23**

Contact: [stephen.gibbons@e-lfh.org.uk](mailto:stephen.gibbons@e-lfh.org.uk) - [elpras.project@googlemail.com](mailto:elpras.project@googlemail.com)

Website: [www.e-lfh.org.uk/programmes/plastic-reconstructive-and-aesthetic-surgery](http://www.e-lfh.org.uk/programmes/plastic-reconstructive-and-aesthetic-surgery)

e-LPRAS is an e-learning project for Plastic, Reconstructive and Aesthetic Surgery, which is supported by BAPRAS.

If you would like to find out more about the project (e.g. how to access the learning materials or contribute as an author) then please speak to one of the representatives on the e-LPRAS stand.

### **Elsevier Stand 17**

Address: Radarweg 19, 1043 NX Amsterdam, NL

Contact: Carolien van der Zanden - [c.zanden@elsevier.com](mailto:c.zanden@elsevier.com)

Website: [www.elsevier.com](http://www.elsevier.com)

Elsevier is a world-leading provider of information solutions that enhance the performance of science, health, and technology professionals, empowering them to make better decisions, deliver better care, and sometimes make groundbreaking discoveries that advance the boundaries of knowledge and human progress.

Elsevier publishes leading journals in Surgery including the official journal of BAPRAS, Journal of Plastic, Reconstructive & Aesthetic Surgery (JPRAS).

### **The Harley Medical Group Stand 28**

Address: 6 Harley Street, London, W1G 9PD

Contact: [claire.landiers@harleymedical.com](mailto:claire.landiers@harleymedical.com) - 0207 462 6895

Website: [www.harleymedical.com](http://www.harleymedical.com)

Integrity, ambition and professionalism are at the heart of everything we do. Now under new ownership, our guiding philosophy of 'Founded on Care' means that from surgeon, to nurse, to patient, we make sure care is at the forefront of our business.

## **Ideal Medical Solutions Stand 18**

Address: South Building, 1, Howard Road, Reigate, Surrey, RH2 7JE

Contact: melanie.rayner@ideal-ms.com - 020 8773 7844

Website: www.ideal-ms.com

Ideal Medical Solutions has an extensive range of burns, plastics, reconstructive and aesthetic surgery products for the NHS and private sector.

Please visit our stand for information on the following clinically proven products: ReCell®, Matriderm®, Filtron Fat Transfer and Keller Funnel 2.

We are offering free product evaluations so please come and see us to arrange your trial.

## **Integra Neurosciences Ltd Stand 12**

Address: Kingsgate House, Newbury Road, Andover, SP10 4DU

Contact: uschi.gudgin@integralife.com; nicola.lees@integralife.com - 01264 345 700

Website: www.integralife.eu

## **Mediwound Stand 2**

Address: Eisenstr.5 D-65428, Russelsheim, Germany

Contact: elaine.thompson@mediwound.com

Website: www.nexobrid.com

NexoBrid™, is indicated for the removal of eschar in adults with deep partial- and full-thickness thermal burns.

NexoBrid™ contains a mixture of enzymes called “concentrate of proteolytic enzymes enriched in bromelain. It was studied by more than 100 leading burn specialists worldwide in 7 clinical studies involving more than 550 patients.

NexoBrid™ removes the eschar without harming viable tissue and is a topical application.

## **Medtronic Stand 15**

**Address:** Building 9, Croxley Green Business Park Hatters Lane Watford WD18 8WW

**Contact:** christopher.j.wood@medtronic.com

**Website:** www.medtronic.com

Medtronic partners with medical professionals to develop life-changing technologies that improve the way chronic diseases are treated. Medtronic Advanced Energy is dedicated to developing technology that improves outcomes for doctors and their patients. The PEAK® plasma blade is a monopolar precision dissection device that provides incision healing equivalent to a scalpel and the bleeding control of traditional electrosurgery, but with reduced thermal damage. Our electrosurgical products are designed to assist surgeons during a variety of procedures, including orthopaedic, spinal, surgical oncology, plastic/reconstructive, and ENT applications.

## **Mentor Stand 20**

**Address:** Johnson & Johnson Medical Limited, Pinewood Campus, Nine Mile Ride, Wokingham, Berkshire, RG40 3EW

**Contact:** Tel: +44 (0) 800 973082

**Website:** www.mentormedical.co.uk

As a leading manufacturer of breast implants, Mentor is delighted to be associated with BAPRAS summer meeting. We look forward to the debates, solutions and expertise shared from around the globe, and would encourage all delegates to visit the Mentor stand and understand our growing portfolio of breast care solutions.

## **Mercian Surgical Supply Ltd Stand 5**

**Address:** 10 Topaz Business Park, Topaz Way, Bromsgrove, Worcester, B61 0GD

**Contact:** info@merciansurgical.com - 0844 879 1133

**Website:** www.merciansurgical.co.uk

Mercian has been established for over 50 years as an independent company with a focus on high quality plastic surgery instrumentation and a particular interest in the micro surgery reconstructive surgery field.

The S&T micro surgery instruments which are supplied by Mercian are know the world over as leaders in the field of micro surgery instruments & micro sutures.

We will be showing at the forthcoming BAPRAS meeting;

- The original Acland Micro Vessel Clamps
- Our new Super-Fine Micro Surgery Instrument Set
- Hand Surgery Instruments
- Micro Sutures
- A complete range of S&T Micro Surgery Instrumentation

### **NHS Blood and Transplant, Tissue Services Stand 9**

Address: Estuary Commerce Park, 14 Estuary Banks, Speke, Liverpool, L24 8RB

Contact: [lorna.ho@nhsbt.nhs.uk](mailto:lorna.ho@nhsbt.nhs.uk) - 0151 268 7117

Website: [www.nhsbt.nhs.uk](http://www.nhsbt.nhs.uk)

The NHS Tissue Bank in Liverpool is the largest retrieval and storage facility for human tissue in the UK. We operate as a not-for-profit organisation responsible for the entire supply chain, co-ordinating, recovering, processing, and bank tissue. Our unique service offers a wide range of tissue for grafting or transplantation.

### **PPM Software Ltd Stand 4**

Address: PPM Software Limited, The Business Centre, 100 Honey Lane, Waltham Abbey, Essex, EN9 3BG

Contact: [info@ppmsoftware.com](mailto:info@ppmsoftware.com) - 01992 655940 or 07860 525831

Website: [www.ppmsoftware.com](http://www.ppmsoftware.com)

#### **PPM - PRIVATE PRACTICE MANAGER**

Please visit STAND 4 to find out why many of your colleagues have implemented 'PPM' - Private Practice Manager

'PPM' will provide all the facilities for the complete administration and financial control of your private practice.

The service includes on site installation and personal training. In addition, the flexibility of the software means it can be customised to your particular requirements.

Alternatively, if you would like to arrange a demonstration, after the exhibition, contact Tom Hunt on either 01992 655940 - Option 2 or 07860 525831 or e-mail - [info@ppmsoftware.com](mailto:info@ppmsoftware.com)

## **Q Medical Technologies Ltd Stand 1**

**Address:** Unit 1A Summerlands Trading Estate, Endmoor, Kendal, Cumbria, LA8 0FB  
UK

**Contact:** Douglas Black - 01539 561 807

**Website:** [www.qmedical.co.uk](http://www.qmedical.co.uk)

Q Medical technologies Ltd is an independent UK company founded in 2004. The company exclusively distributes a hand-picked range of innovative medical devices. The unique innovative range include: Polytech Microthane Breast Implants, SurgiMend ADM for abdominal and breast reconstruction, Ellman Radio Frequency surgical units, Accuvien vein viewers and Pain relieving products.

## **Referapatient Stand 11**

**Address:** Bloomsbury Health, c/o Origin Medical Solutions Ltd, 9b Canberra House, Corby Business Park Corby, Northants NN17 5JG

**Contact:** [joanna@referapatient.org](mailto:joanna@referapatient.org)

**Website:** [www.referapatient.org](http://www.referapatient.org)

referapatient® incorporates best-of-breed cloud technology ensuring acute referrals and responses are securely documented for clear communication between doctors. Algorithmic web-forms with image upload, BYOD, statistical analysis, Instant Messaging, SMS and rapid implementation are some of the features. Finalists for international industry-awards, referapatient® is a digital bridge connecting regional specialist services.

## **Regenerys Stand 16**

**Address:** The Innovation Centre, 217 Portobello, Sheffield, S1 4DP

**Contact:** [info@regenerys.com](mailto:info@regenerys.com)

**Website:** [www.regenerys.com](http://www.regenerys.com)

Regenerys offers the Adiposet service for banking autologous adipose tissue.

Benefits:

- Minimises the use of general anaesthetic
- Reduces theatre time
- Enables lipomodelling in day case theatre
- Single liposuction using current techniques
- Improve patient experience

- Store tissue for future cosmetic procedures
- Facilitates multiple lipofillings
- Good Yields
- Lowers risk of infection

Visit the Regenerys stand for further information on how this service can improve your reconstructive practice, save your trust money and improve the patient pathway.

## Sebbin Stand 7

Address: St Mary's Court, The Broadway, Amersham, Buckinghamshire, HP7 0UT

Contact: Alison Grayley - (0)1494 590416 - [alison.grayley@sebbin.uk](mailto:alison.grayley@sebbin.uk)

Website: [www.sebbin.com](http://www.sebbin.com)

Groupe SEBBIN markets silicone implants for aesthetic and reconstructive surgery. The portfolio includes breast implants, 3D surgery simulation software, tissue expanders, gluteal, calf, testicular as well as single use kits and disposable devices for lipofilling procedures.

Meso BioMatrix® is an Acellular Peritoneum Matrix designed and developed specifically for breast reconstruction.

## Severn Healthcare Stand 3

Address: 38 Kingfisher Court, Hambridge Road, Newbury, Berkshire RG14 5SJ

Contact: [service@severnhealthcare.com](mailto:service@severnhealthcare.com) - 01635 887 640

Website: [www.severnhealthcare.com](http://www.severnhealthcare.com)

SEVERN Healthcare Technologies may be a new company but in many ways it's a re-constructed company.

Severn staff have many years of accumulated experience in head & neck and plastic & reconstructive surgical specialities.

Severn's manufacturing partners include Synovis MCA who produce the GEM Coupler Anastomotic Device, Flow Coupler (with integrated 20Hz Doppler) and the GEM microclips/superfine microclips. We also work with BiosCompass, manufacturers of ADCON 1g anti-adhesion gel used in the prevention of fibrotic adhesions which can lead to neurolysis and tenolysis in extremities surgery.

The Severn commitment to the surgical specialities that we serve is to consistently provide gold standard technologies that are being continuously enhanced by

innovation and development, industry leading customer service with competent technical support and quality education programmes.

Our ambition is to provide added value in everything that we do, so that our customers have a delightful experience in all their dealings with Severn.

## UK NATIONAL FLAP REGISTRY

Welcome

The aim is to collect information about all major free and pedicled flap operations carried out in the UK and through that, to assess the quality of care we provide for patients. Participation in audit is part of professional practice and integral to your appraisal and revalidation as required by the GMC. By participating in this audit, you will be able to use the data for your appraisal and revalidation portfolio. This audit will allow appropriate comparison of clinical performance with national and international standards, and provide useful data on changing trends.

The cross-speciality UK National Flap Registry is supported by the British Association of Plastic Reconstructive and Aesthetic Surgeons, British Association of Head and Neck Oncologists, British Association of Oral and Maxillofacial Surgeons, the Association of Breast Surgery and the British Society of Surgery of the Hand.

# INFORMATION FOR DELEGATES

## **Taping of sessions**

Any videoing, photography and sound recording of the conference sessions is strictly forbidden, without prior written permission from the organising committee.

## **Certificate of attendance**

Your certificate of attendance, including CPD points will be emailed to you after the conference.

## **Abstracts**

Abstracts of all free papers and posters are available to view online - visit <http://bapras.meeting.org.uk/programme>

## **Conference App**

Download the conference app via your device's app store- search for Summer BAPRAS 2016. The app is supported on iOS 7+ and Android 4.1+. The app provides the full programme, abstracts and speaker biographies in an easily accessible format that, once downloaded, can be used without a connection to the internet. You can also use the app to take notes.

## **Poster viewing**

Poster viewing stations are available in the foyer.

### **Using the poster stations**

If you are on the front page... click a number to start viewing the relevant poster. Details of poster numbers can be found in the conference guide.

Once you have selected a presentation, to move forwards and backwards through the slides, hover the mouse at the bottom left hand corner of the screen - Navigation buttons will appear to allow you to move forwards or backwards through the presentation.

To return to the index page, click the red 'i' button, found in the top right hand corner of every presentation slide.

All posters can be viewed at any of the viewing stations.

## Delegate Information

### CPD

The following CPD points have been awarded for this meeting:

Wednesday 29 June	5 points
Thursday 30 June	6 points
Friday 1 July	6 points
<b>Total</b>	<b>17 points</b>

### Social media

The twitter hashtag for the meeting is #summerbapras

# INFORMATION FOR PRESENTERS

Presenters are reminded to load presentations at least 30 minutes prior to the start of the session that you are speaking in.

The slide loading/speaker ready room is located in foyer near the registration desk.

All versions of Microsoft PowerPoint are supported. Presentation on Mac is also available, using PowerPoint or Keynote.

If you have not sent your presentation in advance, you should provide your presentation on a USB storage device.

Presentations will need to be in a **screen ratio of 16/9**.

All versions of Microsoft PowerPoint are supported, up to Windows 7.

We are also able to support presentations on Mac, using Keynote. Online presentations such as those using Prezi are not supported due to the speed of the internet connection, but downloaded Prezi presentations can be used.

**If your presentation contains video files, these should be saved separately in the same folder as the presentation show, as videos are not always embedded within the presentation itself.**

**Presentation from personal laptop/macbook is not permitted.**
