

BAPRAS – Adult Hand Surgery during COVID-19 webinar

Summary

This webinar focuses on issues relevant to delivering Hand & Plastic Surgery services in the forthcoming period when COVID-19 remains highly prevalent, but services are seeking to resume greater levels of activity. A view from Sweden, where there has been no lockdown, will also be included.

Faculty

Prof. Lars Dahlin (Hand Surgery Professor, Lund Universitet, Malmö, Sweden)

Prof. Vivien Lees (Past-President BSSH)

Ms Hayley Smith (Chair of the British Association of Hand Therapists)
