

BAPRAS

British Association of Plastic
Reconstructive and Aesthetic Surgeons

BAPRAS Congress 2024: **International**

4- 6 December || ICC Wales, Newport

About **BAPRAS**

The British Association of Plastic, Reconstructive and Aesthetic Surgery is the voice of plastic surgery in the UK, advancing education in all aspects of the specialty and promoting the understanding of contemporary practice.

BAPRAS speaks for the majority of reconstructive and aesthetic plastic surgeons providing services to patients in the UK today.

Founded in 1946 in the aftermath of world war, as the British Association of Plastic Surgeons, the Association had the objectives of relieving sickness and protecting and preserving public health by the promotion and development of plastic surgery.

The aim of the Association was to advance education in all aspects of plastic surgery. Today, these objectives remain. However, techniques and expertise have progressed to the extent that plastic surgery needs to be understood in a modern, wider context.

About the event

The BAPRAS Congress 2023 marked our largest annual conference yet, and the event this year is shaping up to surpass previous ones!

In 2024, delegates from within the UK will be joined by fellow plastic surgeons from around the world for the Congress themed **international**.

Taking place on 4 - 6 December 2024 at ICC Wales, we are delighted to be collaborating with plastic surgery associations and societies from across the world to bring you a programme filled with insightful talks delivered by international experts.

New additions to the programme include a Military Plastic Surgery session and a session focused on JPRAS.

The professional values session will shine a spotlight on the medico-legal aspects of the practice.

With multiple breaks throughout the three days of the event and a series of social events, including the association dinner, delegates will have the chance to network, broaden their horizons and build professional relationships that lead to collaboration and future career opportunities.

Our delegates

In 2023, BAPRAS Annual Congress reached the highest number of attendees in history, with over 530 professional in attendance.

This year, for the event themed international, we are expecting an even higher larger number of delegates, joining us from across the world.

The meeting is aimed at consultants, trainees at all levels, nurses and researchers working in the field of plastic surgery. The programme content has been recently changed and is now developed to cater to the educational need of the delegates in each of these categories.

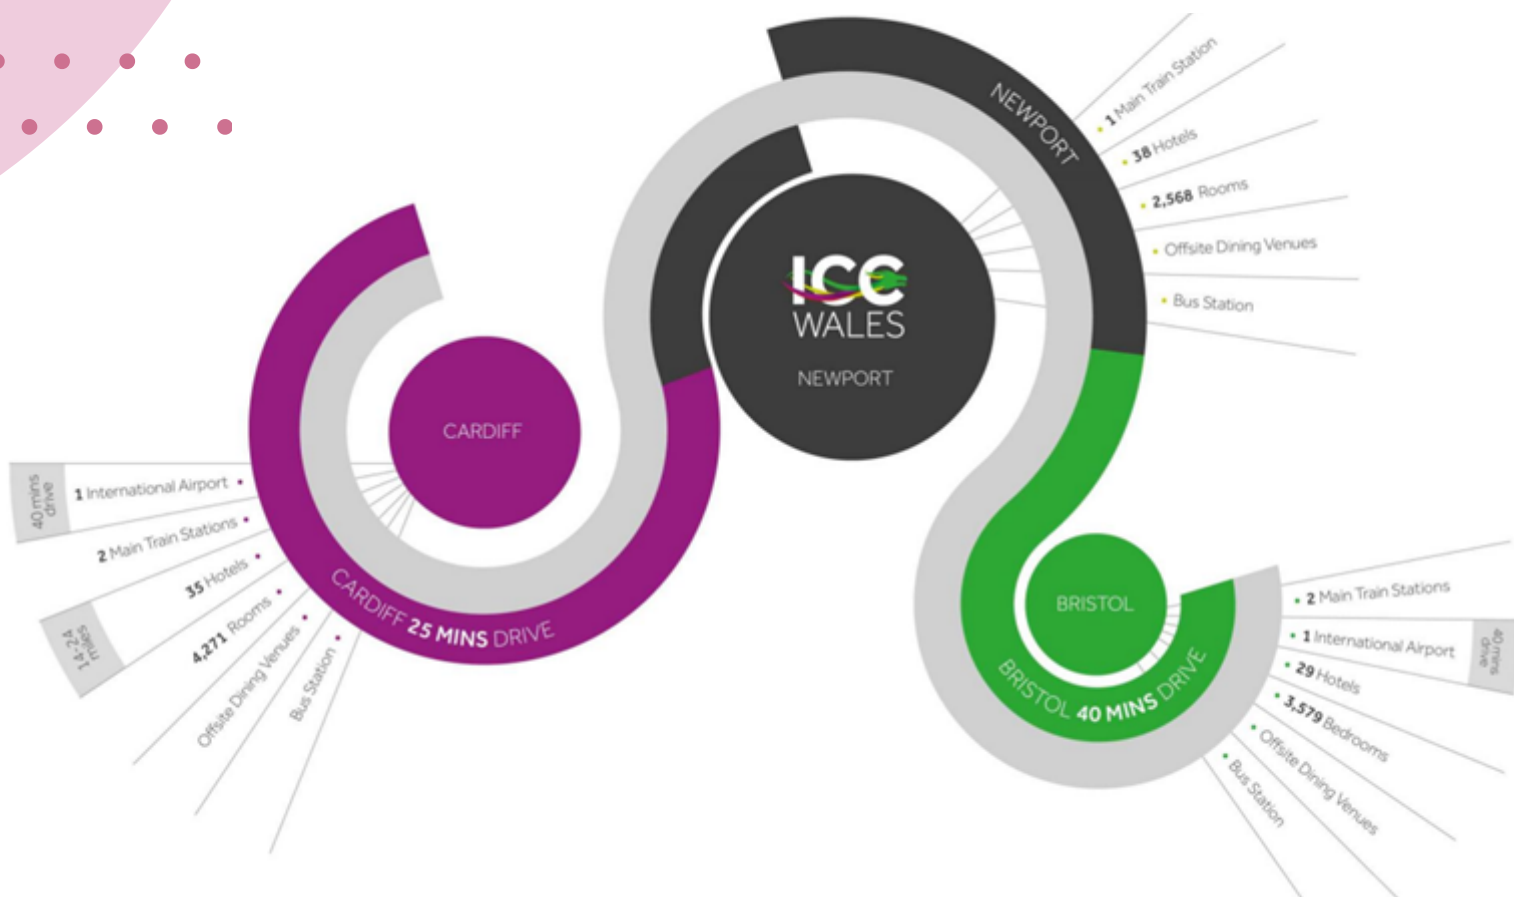

The venue

ICC Wales, Newport

The International Conference Centre Wales is a modern, multi-purpose venue located in the heart of Cardiff, Wales. It offers a range of event spaces for conferences, exhibitions, meetings, and more, with a capacity to accommodate up to 1,450 people. The venue is easily accessible by public transportation and has on-site car parking and accommodation facilities. In addition to its event spaces, the ICC Wales Conference Centre also features a range of shops, restaurants, and bars for attendees to enjoy.

The venue is built to provide ease of flow and allows for Exhibitions, plenary and breakout space to have the full attention of the delegates during the Conference.

Trade packages

Please note we cannot confirm stand space until full payment of our invoice has been received, stand allocation is based on a first come first served basis.

Exhibitions Space Booking - Terms and Conditions

For further information, please get in touch with us at christy.kowalewski@bapras.org.uk

Payment Terms

30 days from date of invoice. Please note we cannot confirm stand space until full payment of our invoice has been received.

Cancellation Policy

If an exhibition space has to be cancelled, the following conditions will apply:

- More than 6 months prior to the conference: a cancellation fee of 20% of the exhibition fee will be payable
- 1-6 months prior to the conference: A cancellation fee of 50% of the exhibition fee will be payable
- Less than a month prior to the conference: A cancellation fee of 100% of the exhibition fee will be payable.

Exhibition Space

Places are allocated strictly on a first come first served basis and are allocated ONLY when payment has been received.

The exhibition space has been carefully planned to allow the maximum number of companies to exhibit. It is imperative therefore that your stand does not exceed the size allocated to you. If your company arrives at the meeting with a larger stand, you will be asked to dismantle any part of the stand, which encroaches to the detriment of a neighbouring site. No electrical extension leads are available at the venue and all companies must provide their own.

Spaces between the exhibition stands must be kept free. No fittings, fixtures or signs of any nature are to be attached to the walls or fabric of the building and all stands must be free standing. Firms displaying heavy pieces of equipment must take adequate measures to protect floors from the damage.

Set Up

Information on set up and breakdown will be supplied one month before the conference. Exhibitors must be set up by the start of the first refreshment break. Access for setup after this time is solely at the discretion of the organisers.

Only access at the communicated designated times is allowed, no access at any other times permitted.

Loss or Damage

Neither the venue nor BAPRAS can be held responsible for loss or damage to the exhibitors' stands or property. Obtaining the relevant insurance is the sole responsibility of each exhibitor.

The organisers reserve the right to alter the exhibition layout without prior notice. Applications received for space, and then confirmed, imply complete acceptance of the above conditions. If any matters or disputes arise, the decision of the Honorary Secretary is final.
